## **NDBC SALE CONDITIONS GISBURN 2020**

The NDBC contact is Sam Driver: 07811 141860

Drop off for stock will be from 10.30 a.m. – 13.30 p.m. Registered stock (only) will be inspected for health, teeth and testicles from 10.30 a.m. All registered sheep must therefore be penned by 12.30 p.m.

Any registered animals which do not reach the inspection standard will not be eligible for sale and must be removed from their pens immediately.

All sheep entered as registered must have their ears tattooed or tagged with the flock and individual numbers. These will be checked at the inspection and any not so identified will be deemed to be unregistered.

All vendors of MV accredited sheep must send a copy of the accreditation certificate with their entry forms.

The relevant MV, pedigree and Genotype certificates must be handed in to the auctioneers prior to the sale.

Sale open to MV, non-accredited, registered, unregistered, cross bred females and non home bred animals. Sale sheep will be accepted from all Dorset breeders whether or not they are club or national association members.

All sheep must be lot numbered before entering the market.

All sheep will be sold in catalogue order in guineas with a commission rate. Sheep will be accepted on Saturday 8<sup>th</sup> August 2020 from 10.30 a.m. on the day of sale. If you wish to make alternative arrangements, you will need to speak to Gisburn Auction Mart.

The order of draw was carried out by an independent body.

Sale to commence at approximately 2 p.m.

There will be no show.

*All the above females are presumed to be ARR/ARR as only ARR/ARR rams have been used for a number of years.*

*The above females have not run with a ram.*

*Riverview Torque was purchased for 3,000gns at May Fair, 2013. He is exceptionally well muscled and tested to be carrying the myomax gene.*

*Gortleigh Ulyses is another well muscled ram with a muscle depth of 2.51, Terminal Sire Index of 255 and Maternal Index of 200.*

*Oliver Tree Pete breeds sheep with longevity and length in the loin.*

*The Thornbank flock is a frequent breeding flock situated in the Western Lake District. We concentrate on Profiting from Pasture so our females are well suited to a grass or forage based system.*

*This year all our early lambs sold from grass and were graded either E or U.*
